Ecovert FM is the facilities management arm of the Bouygues group in the UK. We operate large scale contracts, particularly in the PFI market, the result of a successful partnership with our construction sister company, Bouygues UK.

OPERATIONS SUPPORT

Mobilisation Project Manager

Working as a member of the Mobilisation team, you will deliver to the agreed plan. You will ensure the successful mobilisation of all interim and permanent FM services involved with assigned projects. You will also coordinate the support services and operations team from mobilisation through to post-mobilisation stage.

Additional duties will also include developing the current methodologies and processes used for mobilisation; update changes on an ongoing basis; and attend meetings as required.

Candidates will have previous experience in mobilisations and show considerable project management and interpersonal skills. Previous experience in FM operations is essential and a background in soft FM services would be preferred. A good working knowledge of MS Project or similar is essential.

This post offers an attractive salary and benefits package, according to the skills and the experience a candidate brings to the role.
