CORPORATE SERVICES
Management Accountant

A vacancy has arisen within the Commercial team for an ambitious Management Accountant to facilitate financial management and provide financial reporting of the contract performance within FM Operations. This role will cover Peterborough Schools.

You will be responsible for producing the monthly financial results including the variance analysis. You will produce and analyse the key performance indicators as well as prepare the monthly core service fee invoice and other invoices based on contractual information and operational records on non-core activity. You will also conduct commercial reviews at contract level with budget holders to monitor key financial indicators, including the distribution of minutes and action points.

You must be methodical in your approach with attention to detail with the ability to present financial information to deadline in an often pressured environment. You will be pro-active and use your initiative to interrogate the contract to answer queries from client and operational managers. With the self-motivation to get things done, you will be an effective team player as well as having the ability to work with limited supervision.

You will be part qualified in ACCA/CIMA or equivalent and have an interest in studying further. Candidates will be given the opportunity to study a professional qualification with a view to pursuing a career in Finance.

In return we offer an attractive salary and benefits package based on the skills and experience you can bring to the role.
